ABOUT US

ZEEOL PRIME FUEL PVT LTD. has established a distinctive presence in the lubricant oil market. Through our strategic Direct Selling model and diversified service approach, we ensure our products reach the right customers—driving our brand toward its rightful position in the industry.

ANAND THANGAVELU
MANAGING DIRECTOR

SEAOL - A single solution for all your lubricant needs

SEAOL Lubricants is a pioneer in lubricant oil manufacturing, operating with a streamlined supply chain across India since 2007. Our advanced blending unit caters to diverse market needs, backed by strong technical expertise and state-of-the-art infrastructure. We have built trusted partnerships across the industry, delivering customized, high-quality products that meet our customers' exact requirements.

Quality in every drop

We adore our customer satisfaction after using our lubricant products in their day-to-day life. Let not the words exaggerate our standards instead our quality speaks out our inspiration in this field.

OUR VISION

To lead the global lubricant industry by blending quality with loyalty, driving innovation, and creating awareness about the right lubricant use.

To empower customers with excellence and build a network of successful big-billion business owners across the nation.

OUR MISSION

SEAOL'S VIBRANT PRODUCTS

Engine Oil

Engine oil is made of 80% base oil and 20% additives like anti-wear agents, detergents, and viscosity improvers to protect and clean the engine across all temperatures.

Gear Oil

Our gear oil offers high extreme pressure tolerance and is ideal for vehicles and industrial use, meeting top API performance standards.

Hydraulic Oil

Our premium hydraulic oils offer superior anti-wear protection, long service life, and are ideal for a wide range of hydraulic and circulation systems

Speciality Products

We specialize in custom lubricant oil products for all equipment, manufactured precisely to your specifications.

RATA BIKE SPA

WHY RATA ?

Our bike service franchise caters to both young and old customers. Young riders prefer one-click, transparent service, while older customers value in-person servicing. Our process ensures both are satisfied. With the 2-wheeler industry projected to grow 6–7% CAGR in the next five years, our model is built for the future.

01

16 Cr out of warranty 2 Wheelers need total 40 Cr services every year.

Three out of four vehicles sold in India are two-wheelers.

02

03

65% of the requirement is fulfilled by unorganized, semi-skilled, local and Independent mechanics.

Six ideas – 0% Franchise fee

Model-1

Investment required Rs 5 lakhs Equipment, infrastructure, furniture & initial spare parts. 500 sqft to 750 sqft.

Spare parts

RATA projects an estimated returns of about 50-100% through Spare parts

Model- 2

Investment required Rs 10 lakhs Equipment, infrastructure, furniture & initial spare parts. 1000 sqft to 1500 sqft.
